Those who are volunteering in other identified roles or activities will be asked to complete a Confidential Declaration form which will be held safe and secure in the office. Mandy has talked with Preston and Siddington nominated persons who filled in their own forms. Carolyn Kennedy asked how we are getting on with people who need DBS check.

6 **Finance:**

a) **General:** The Treasurer handed round his report to those present.

b) **Stewardship:** The Stewardship Committee had met on 13th September and Jenny Gardiner reported the following points:

- committee will wait for the new vicar before a planned giving scheme is launched.

- a database of parishioners will be compiled, the idea being that we can then send regular churchgoers information to bind the congregation together. From this we can introduce the subject of money on a more frequent basis, with a possibility of videos. This would also give a chance for interviews with the new incumbent with an introduction to the public.

- there is a need to change the expense form so that anyone who incurs expenses can split the cost out between the three parishes and then claims can be made to each.

7 **Vacancy Matters:**

The benefice profile team have met weekly for several weeks to compile the profile. Chairman commented on the great amount of work put in, especially by Martin Gould who has produced the document. Archdeacon pleased with where we are with it, but he felt the last few pages need some more input/pulling together. Agreed that our churchwardens, Tony and Martin, will speak further with Preston and Siddington as soon as possible, in order to finish and send off the profile.

An emailed endorsement from Jennifer May (unable to be present) was read out. Secretary will get this in place as soon as practicable with help from David Lewis, who will put the documents onto our website, and from Jeannie Adam. Additionally, a 'hard' copy will be available to read in church. Congregation to be informed when achieved.
