7 **Benefice Service Pattern:**

The Vicar read a paper she had prepared about the difficulty we are having with the current pattern of services, given the reduction in the staff team, and asked for consideration from the PCC as to a way forward. After lengthy discussion it was suggested that we should explore the moving of service times. The vicar was asked by the PCC to get together with the staff team and come up with what they think a workable pattern would be and bring it back to the PCC for discussion.
